## REPORT OF COUNTY COMMISSIONERS

---

To the Citizens of Cheshire County:

In reviewing the work for the past twelve months the Commissioners would call the attention of the tax-payers to the many improvements and permanent repairs which have been made at the County Farm during the year and which include the completion of the new barn and its equipment, the finishing of the water sprinkler system and blacksmith shop, the remodelling of the old jail and House of Correction, and the erecting of a new building which is being used as a combination for a piggery and slaughter house.

In June we entertained all of the overseers of the poor and selectmen of the county, this being the third occasion of the kind held and which we believe is of mutual benefit to the towns and county.

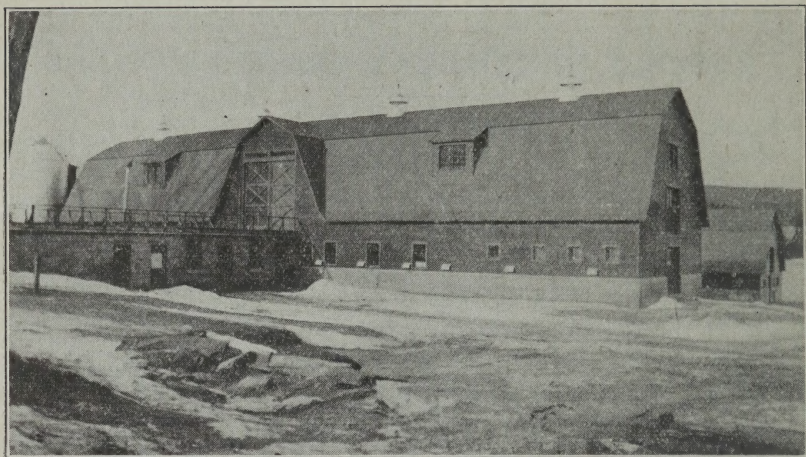

An outstanding event took place in September when the annual Fall meeting of the State Association of County Commissioners and guests numbering one hundred persons was held at the County Farm.

In December the members of the Cheshire County Delegation met with us and inspected the buildings, had dinner and held an informal meeting.

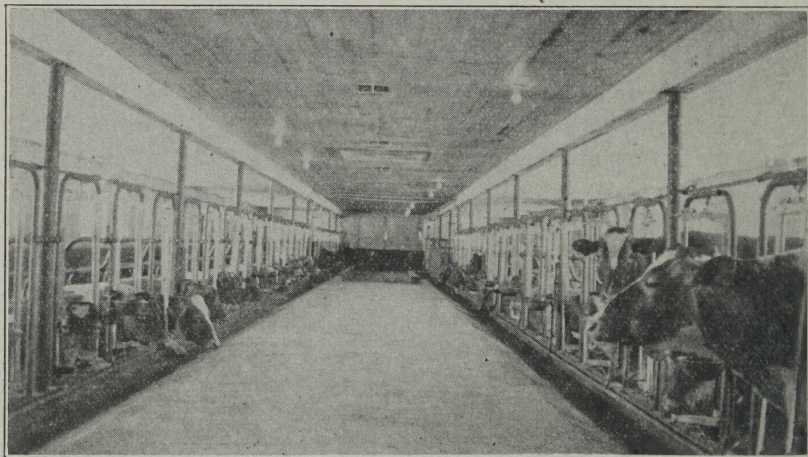

The care and supervision of the sick and unfortunate housed at the County Farm and Maplewood Hospital, have continued under the management of Supt. and Mrs. B. F. Sherman who are to be commended for their faithfulness in this respect, and we wish to express our personal thanks to them for all courtesies extended to us throughout the year.

FRED A. RAMSAY,  
GRACE A. RICHARDSON,  
HENRY E. SWAN,  
County Commissioners.

## SUPERINTENDENT'S REPORT

---

To the Honorable Board of Commissioners of Cheshire County:

The following is the report of the Cheshire County Farm for the year ending Dec. 31, 1934.

The most important repairs and improvements made during the year were the remodeling of two of the older buildings used by the men, and the building of a new farm building 32 feet by 80 feet to be used as a piggery, manure pit and with a slaughter room in one end. Extensive grading was done at the site of the old farm buildings, and around the new barn and piggery. This work being done by the institution help.

The farm furnished the institution with an ample supply of farm produce and about 50,000 ft. of lumber was cut for general repair work.

Both Mrs. Sherman and I wish to thank the different groups who visited the institution with some form of entertainment, the church organizations who conducted our religious services, and all those who sent gifts especially at Christmas.

Respectfully yours,

B. F. SHERMAN,  
Superintendent.

## PHYSICIAN'S REPORT

---

### MOUSLEY HOSPITAL

Walpole, N. H.

To the Honorable Board of Commissioners for the County of  
Cheshire:

Herewith I submit my report as physician of Maplewood  
Home for the year ending December 31st, 1934.

In my work at the Home during the year I have been extended every help and courtesy possible by the Superintendent and Matron, the County Commissioners and other officials.

The health of the inmates at the Home has been about the average that would be found in any institution of feeble and infirm inmates.

The health of the prisoners has been rather better than for many previous years.

The increasing number of both prisoners and inmates has filled the hospital to capacity nearly the entire year.

There were 769 weeks of hospital care furnished in the hospital, also a large number of visits made to inmates in their rooms and prisoners in the jail.

There were 11 major and twenty-one minor surgical operations performed and cared for, also five births cared for at the hospital during the year.

There were sixteen deaths.

Respectfully submitted,  
BAYARD T. MOUSLEY, M. D.
